

Privacy Policy

Worldwide Legal Technologies Ltd, (the “Company”, “we”, or “us”) is the operator of the Website located at www.recovercrypto.tech published by the Company (the “Website”) and/or the provider of services (collectively with the Website, the “Service”).

We recognize the significance of protecting information which is stored on our servers or network or is intended to be stored on our servers or network and which relates to an individual. The data we protect are the “Personal Data” which is any information relating to a natural person, sometimes called a data subject, and have made protecting the privacy and the confidentiality of Personal Data a fundamental component of the way we do business. This Privacy Policy (the “Policy”) informs you of the ways we work to ensure privacy and the confidentiality of Personal Data and describes the information we gather, how we use those Personal Data and the circumstances under which we disclose such information to third-parties.

KYC procedures do not take place while providing the Services at the Website.

This Privacy Policy is designed to address regulatory requirements of the jurisdictions in which recovercrypto.tech offers its Services-

In case you provide us with the personal data of third persons (such as family members or work colleagues, or any other) you should make sure that these persons are familiar and agree with this Privacy Policy and you should only share their personal data if you have permission to do so and ensure that his or her Personal Data is correct. Our company is not responsible for the accuracy of the information provided by the user.

This Privacy Policy describes Our policies and procedures on the collection, use and disclosure of Your information when You use the Service and tells You about Your privacy rights and how the law protects You.

We use Your Personal Data to provide and improve the Service. Please read carefully before using the Service or submitting any information to us. By using the Service, you are accepting the practices set forth in this Policy. If you do not agree to any part of this Policy, then you must not access or use the Service.

Interpretation and Definitions

Interpretation

The words of which the initial letter is capitalized have meanings defined under the following conditions. The following definitions shall have the same meaning regardless of whether they appear in singular or in plural.

Definitions

For the purposes of this Privacy Policy:

- **Account** means a unique account created for You to access our Service or parts of our Service on the Website.
- **Company** (referred to as either "the Company", "We", "Us" or "Our" in this Policy) refers to Worldwide Legal Technologies Ltd,
- **Cookies** are small files that are placed on Your computer, mobile device or any other device by a website, containing the details of Your browsing history on that website among its many uses.
- **Device** means any device that can access the Service such as a computer, a cellphone or a digital tablet.
- **Personal Data** is any information that relates to an identified or identifiable individual.
- **Service** refers to the Website.
- **Service Provider** means any natural or legal person who processes the data on behalf of the Company. It refers to third-party companies or individuals employed by the Company to facilitate the Service, to provide the Service on behalf of the Company, to perform services related to the Service or to assist the Company in analyzing how the Service is used.
- **Usage Data** refers to data collected automatically, either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).
- **Website** refers to Recovery Crypto, accessible from www.recovercrypto.tech
- **You** means the individual accessing or using the Service, or the company, or other legal entity on behalf of which such individual is accessing or using the Service, as applicable.

Collecting and Using Your Personal Data

Types of Data Collected

Personal Data

While using Our Service, We may ask You to provide Us with certain information that can be used to contact or identify You. Such information may include, but is not limited to:

- Email address
- Wallet address
- Size of the purchased tokens by the wallet address
- Amount of the purchase by the wallet address
- Usage Data

The Company does not have access to any personal identifiable information and we would never seek this information.

Usage Data

Usage Data is collected automatically when using the Service.

Usage Data may include information such as Your Device's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that You visit, the time and date of Your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When You access the Service by or through a mobile device, We may collect certain information automatically, including, but not limited to, the type of mobile device You use, Your mobile device unique ID, the IP address of Your mobile device, Your mobile operating system, the type of mobile Internet browser You use, unique device identifiers and other diagnostic data.

We may also collect information that Your browser sends whenever You visit our Service or when You access the Service by or through a mobile device.

Tracking Technologies and Cookies

We also collect certain information (automatically) through the use of Cookies and similar tracking technologies to track the activity on Our Service and store certain information. Tracking technologies used are beacons, tags, and scripts to collect and track information and to improve and analyze Our Service. The technologies We use may include:

- **Cookies or Browser Cookies.** A cookie is a small file placed on Your Device. You can instruct Your browser to refuse all Cookies or to indicate when a Cookie is being sent. However, if You do not accept Cookies, You may not be able to use some parts of our Service. Unless you have adjusted Your browser setting so that it will refuse Cookies, our Service may use Cookies.
- **Flash Cookies.** Certain features of our Service may use local stored objects (or Flash Cookies) to collect and store information about Your preferences or Your activity on our Service. Flash Cookies are not managed by the same browser settings as those used for Browser Cookies.
- **Web Beacons.** Certain sections of our Service and our emails may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the Company, for example, to count users who have visited those pages or opened an email and for other related website statistics (for example, recording the popularity of a certain section and verifying system and server integrity).

We use both Session and Persistent Cookies for the purposes set out below:

- **Necessary / Essential Cookies**

Type: Session Cookies

Administered by: Us

Purpose: These Cookies are essential to provide You with services available through the Website and to enable You to use some of its features. They help to authenticate users and prevent fraudulent use of user accounts. Without these Cookies, the services that You have asked for cannot be provided, and We only use these Cookies to provide You with those services.

- **Cookies Policy / Notice Acceptance Cookies**

Type: Persistent Cookies

Administered by: Us

Purpose: These Cookies identify if users have accepted the use of cookies on the Website.

- **Functionality Cookies**

Type: Persistent Cookies

Administered by: Us

Purpose: These Cookies allow us to remember choices You make when You use the Website, such as remembering your login details. The purpose of these Cookies is to provide You with a more personal experience and to avoid You having to re-enter your preferences every time You use the Website.

Use of Your Personal Data

The Company may use Personal Data for the following purposes:

- **To provide and maintain our Service**, including to monitor the usage of our Service to understand how our users use our Services, provided that those data cannot identify any individual.
- **To manage Your Account**: to manage Your registration as a user of the Service. The Personal Data You provide can give You access to different functionalities of the Service that are available to You as a registered user.
- **For the performance of a contract**: the development, compliance and undertaking of the purchase contract for the products, items or services You have purchased or of any other contract with Us through the Service.
- **To contact You**: To contact You by email, telephone calls, SMS, or other equivalent forms of electronic communication, such as a mobile application's push notifications regarding updates or informative communications related to the functionalities, products or contracted services, including the security updates, when necessary or reasonable for their implementation.
- **To provide You** with news, special offers and general information about other goods, services and events which we offer that are similar to those that you have already purchased or enquired about unless You have opted not to receive such information.
- **To manage Your requests**: To attend and manage Your requests to Us.
- **For business transfers**: We can use your information to evaluate or conduct a merger, divestiture, restructuring, reorganization, dissolution or other sale or transfer of some or all of our assets, whether in a going concern, bankruptcy, liquidation or similar proceeding, in which personal information we hold about our service users is among the assets transferred.
- **For other purposes**: We may use Your information for other purposes, such as data analysis, identifying usage trends, determining the effectiveness of our promotional campaigns and to evaluate and improve our Service, products, services, marketing and your experience. We also use third-party web analytics tools that help us understand how users engage with our website. These third-parties may use first-party cookies to track user interactions to collect information about how users use our website. This information is used to compile reports and to help us improve our website

We may share Your personal information in the following situations:

- **With Service Providers:** We may share Your personal information with Service Providers to monitor and analyze the use of our Service, to contact You.
- **For business transfers:** We may share or transfer your personal information in the event of a merger, sale of company assets, financing or acquisition of all or part of our business by another company.
- **With Affiliates:** We may share Your information with Our affiliates, in which case we will require those affiliates to honor this Privacy Policy. Affiliates include Our parent company and any other subsidiaries, joint venture partners or other companies that We control or that are under common control with Us.
- **With business partners:** We may share Your information with Our business partners to offer You certain products, services or promotions.
- **With other users:** when You share personal information or otherwise interact in the public areas with other users, such information may be viewed by all users and may be publicly distributed outside.
- **With Your consent:** We may disclose Your personal information for any other purpose with Your consent.

We will process your Personal Data legally and fairly and not use it outside the purposes of which we have informed you, including selling it individually or in the aggregate for commercial use. You will also be asked whether you consent to use of that data and for what purposes it will be used. We will not use your data except to fulfill a request you make when disclosing those details and using our Services and except in accordance with this Privacy Policy with your consent.

Retention of Your Personal Data

The Company will retain Your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use Your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

The Company will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of Our Service, or We are legally obligated to retain this data for longer time periods.

When Personal Data is no longer needed, we have procedures either to destroy, delete, erase or convert it to an anonymous form. If you have opted-out of receiving marketing communications, we will hold your details on our suppression list so that we know you do not want to receive these communications.

After you have terminated the use of our Services, we reserve the right to maintain your Personal Data as part of our standard back-up procedures in an aggregated format.

Transfer of Your Personal Data

Your information, including Personal Data, is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of Your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from Your jurisdiction.

Your consent to this Privacy Policy followed by Your submission of such information represents Your agreement to that transfer.

The Company will take all steps reasonably necessary to ensure that Your data is treated securely and in accordance with this Privacy Policy and no transfer of Your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of Your data and other personal information.

Disclosure of Your Personal Data

Business Transactions

If the Company is involved in a merger, acquisition or asset sale, Your Personal Data may be transferred to or shared with the new owner of the business. We will provide notice before Your Personal Data is transferred/shared and becomes subject to a different Privacy Policy.

Law enforcement

Under certain circumstances, the Company may be required to disclose Your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

Other legal requirements

The Company may disclose Your Personal Data in the good faith belief that such action is necessary to:

- Comply with a legal obligation
- Protect and defend the rights or property of the Company
- Prevent or investigate possible wrongdoing in connection with the Service
- Protect the personal safety of Users of the Service or the public
- Protect against legal liability

Security of Your Personal Data

The security of Your Personal Data is important to Us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While We strive to use commercially acceptable means to protect Your Personal Data, We cannot guarantee its absolute security.

We protect Personal Data with appropriate physical, technological and organisational safeguards and security measures. Your Personal Data comes to us via the internet which chooses its own routes and means, whereby information is conveyed from location to location. We audit our procedures and security measures regularly to ensure they are being properly administered and remain effective and appropriate. Every member of Company is committed to our privacy policies and procedures to safeguard Personal Data.

Children's Privacy

Our Service does not address anyone under the age of 18. We do not knowingly collect personally identifiable information from anyone under the age of 18. If You are a parent or guardian and You are aware that Your child has provided Us with Personal Data, please contact Us. If We become aware that We have collected Personal Data from anyone under the age of 18 without verification of parental consent, We take steps to remove that information from Our servers.

If We need to rely on consent as a legal basis for processing Your information and Your country requires consent from a parent, We may require Your parent's consent before We collect and use that information.

Links to Other Websites

Our Service may contain links to other websites that are not operated by Us. If You click on a third party link, You will be directed to that third party's site. We strongly advise You to review the Privacy Policy of every site You visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Acceptance

By using the Services, you signify your agreement to this Privacy Policy. recovercrypro.tech reserves the right to change or amend this Privacy Policy at any time. If we make any material changes to this Privacy Policy, the revised Policy will be posted here. Please check this page frequently to see any updates or changes to this Privacy Policy.

Changes to this Privacy Policy

We may update Our Privacy Policy from time to time. We will notify You of any changes by posting the new Privacy Policy on this page.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.

Questions and Complaints

Any questions about this Privacy Policy, the collection, use and disclosure of Personal Data or access to your Personal Data as required by law (to be disclosed should be directed to contact@recovercrypto.app.

In the event that you wish to make a complaint about how we process your Personal Data, please contact us in the first instance at In the event that you wish to make a complaint about how we process your personal data, please contact us in the first instance at contact@recovercrypto.app. and we will attempt to handle your request as soon as possible. This is without prejudice to your right to launch a claim with the data protection supervisory authority in the country in which you live or work where you think we have violated data protection laws.
